"As a Feinstein Leadership School we are committed to teaching our students to be caring of others."

Our Great Kids:

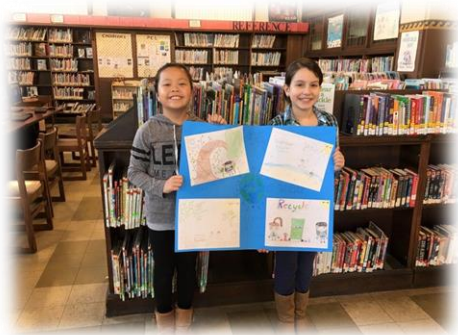

Parents and students, be sure to watch *Our Great Kids* on Saturday and Sunday at 10:00 am on PBS channel 36 and Cox channel 8 on your televisions!

Jump Rope Contest:

We had our yearly Jump Rope contest and it was outstanding again. Here are our winners.

**National Grid Contest:**

Congratulations to Room 217/Grade 4 students who participated in the "Here for You - Here with You" campaign with National Grid. They loved the students' drawings and as a result they won the February contest for the RI region! As winners, the students will be entered to win tickets to the Museum of Science and will receive an assortment of thermoses, tee shirts, and reusable bags for entering. Ms. Damiani was also named the "Green" teacher of the month! Great Job!

**Special Olympics:**

Students from Carnevale will be participating in the Special Olympics again this year. The events will take place during the first weekend in May (at Bryant College) and June (at the University of Rhode Island). Our school greatly appreciates Mrs. Hanson for coordinating this event.

Family Dance Event:

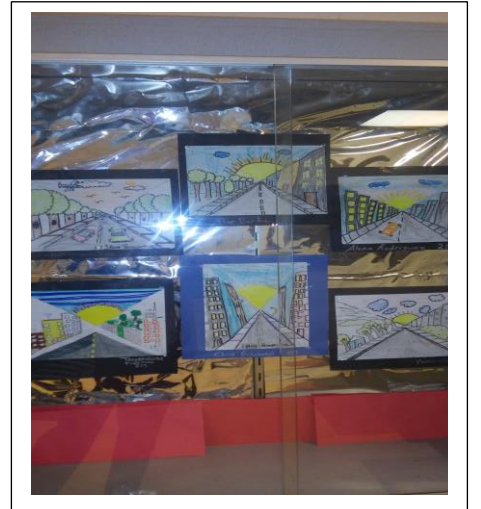

Our **first Family Dance** was held on February 20, 2016 at 5 in the evening. This was our first attempt to have a "fancy, dress-up" dance complete with a meal (not just pizza!) and a live band! We have had a great turnout and all who attended had a great time!

**Newport Jazz Band:**

On March 22, 2016 the **Newport Jazz Band** came to visit Carnevale Elementary School. As their informational letter states, "*The Newport Jazz Assembly seeks to connect professional musicians to schools with minimal or no music programs. These musicians will perform jazz concerts for students who may not have had the experience of being at a live concert. This program gives students the opportunity to experience a high-energy, interactive, and FUN live jazz concert.*" The students heard musical selections from each era of the Jazz timeline; Dixieland jazz, Big Band, Bebop, Cool jazz, Modal jazz and Fusion. The students had a great time and many were in awe of the musicians and their instruments! Pictures and a video of the students listening to "Anthropology" by Charlie Parker can be found on the school's Facebook page. Our school thanks the Newport Foundation Festival, Inc. for such a great presentation.

**Art News – Ms. DeFlorian**

In March, the art classes focus on Color and one-point perspective drawings. The color wheels below were done by artists in grade 4. Students in room 213, grade 5, created the one-point perspective drawing below. Look for more creative projects and artwork from our talented students on Facebook!

**Report Cards:**

Report cards for the 3rd Quarter marking period will be distributed on Friday, April 25th.

Reading Week:

Reading week was held on April 4th – April 8th. Our school had many guests reading to our students. Please look for photo from these "Read- Alouds" on our school Facebook and Twitter (@Carnevale ES! #Carnevale Community.)
