Interview with a Teacher by Samia & Laila

Mrs. Carroccio – Fourth Grade

How long have you been teaching? 18 years.

Why did you decide to become a teacher? I decided to become a teacher because I loved “playing school” in my basement when I was a little kid. I also loved to write on the chalkboard!

Where did you go to school to become a teacher? I went to Roger Williams University.

Have you only taught in the Providence school system? Yes, I have only taught in the Providence School System.

What is your favorite subject? Reading

What is the best thing that you like about your profession? The thing I liked best about the teaching profession is that you get to “start over” every year with a new bunch of learners. I also love to watch my students’ progress as the year goes on.

What would you tell a student who is thinking about becoming a teacher in the future? If you love being in school and with children, then teaching is the profession for you. Don’t get caught up in the negativity.

What town do you live in? Smithfield

Are you married? Yes

Do you have any children? Two children

Do you have any pets? I don’t have any pets (Kids are enough ☺!)

What type of music do you listen to? Dance Music, Top 40, but I love 70’s music!

What do you watch on T.V.? - Sitcoms and dramas. My favorite sitcoms are *1600 & Modern Family*. My favorite dramas are *Greys Anatomy & Revenge*.

Upcoming Calendar of Events!

May

Carnevale Dance Company will be performing on May 17th & 18th at DelSesto Middle School. The show begins at 7 in the evening.

Music News

On **Wednesday, May 29, 2013**, Carnevale Elementary will be holding its annual **Spring Concert**. This event will begin at **6:30 in the evening** and take place at **DelSesto Middle School**. The concert will include performances by the both the school’s Choral group and Junior Chorus. In addition, there will also be performances by the Middle School Chorus. Students who are performing should arrive at DelSesto Middle School by 6:15 p.m. For more information about Carnevale’s music program, go to the Carnevale web-page from the Providence School Department’s web-site and click on “Teachers” then “Music”!

Art News

The students in grades 3 and 4 have been drawing three dimensional cubes. The students were able to further their knowledge of three dimensional forms when working on their own “Treasure Chest.”

I am very pleased and impressed with the artwork created by Pablo Montiel Rodriguez, a third grade student from Ms. Ward’s classroom (209). Pablo Rodrigues has been selected for the Student of the Month in Art.

Please take a moment to observe his creative artwork. Looking forward in art, we will be exploring color theory. All students are encouraged to notice colors all around us and be familiar with the names of colors. I will be sharing more art news with you in future editions!
