## SurveyWorks 2020-2021

Families, it is so important to share your feedback with the school and district. Every year, students and families take a survey so we can improve as a school. Families, please take 10 minutes of your time to complete the survey by going to [surveys.panoramaed.com/ride](https://surveys.panoramaed.com/ride)

Once you are on the website,

**District Name:** Providence

**School Name:** Anthony Carnevale Elementary School (Providence)

Note: The Survey will begin on 1/19/21 and end on 3/31/21

## What's going on in our classrooms?

### Mrs. Carroccio & Mrs. Mehrotra Grade 4 Room 217

Grade 4 is doing an awesome job completing an animal research project. Our finished project will be a book based on the favorite animal of each student. We are hoping to publish and share our books with our friends as the final part.

### Ms. Carbone and Ms. Grzych Grade 3 Room 210

Room 210 is celebrating Ms. Alexa Whittier, a student teacher from Rhode Island College who has been with our classroom since the start of the school year. She has worked very hard supporting all our students and is such an important part of our classroom. Ms. Whittier is completing her last semester of college and is ready to become a teacher! We are so proud of her and are grateful for all her help. We know she will be an awesome teacher!!

### Mr. Enos, Mr. Payne, Ms. Denton & Ms. Mariniello Physical Education & Health

During these strange times, PE is not the same. Although we can not use our equipment we are getting the kids moving in many different creative ways. Health classes continue to stress ways to be healthy and we continue to follow our regular curriculum. Please everyone stay safe. Wash your hand, social distance and wear your mask!!! 🧐
