**For a list of all Grade 5 students promoted to Middle School go to page 4!*

Carnevale Families, please ensure your child is bringing their mask and chromebook to school every school day. Please reply to KINVO messages when your child will be absent

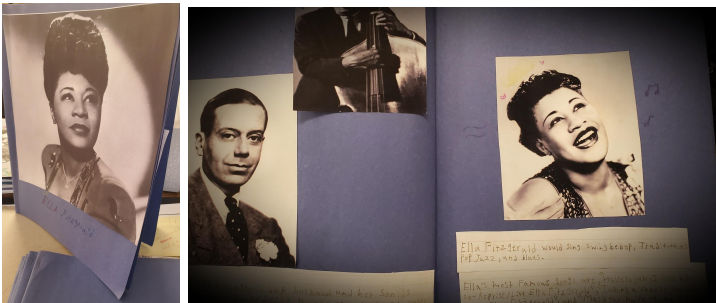

What's going on in our classrooms?

Ms. DePedro's Grade 2 - Room 207

Ms. DePedro's Grade 2 class wrote Animal Stories for Reading using the Write Reader program on their computers. We celebrated by taking a picture and eating animal crackers!

Mr. Maher - Music

Fifth graders researched Jazz Artists and produced a booklet on a selected artist during the 3rd Quarter. Pictured above is a book on Ella Fitzgerald created by Mia Barrarieta and Rachel Laines.

Mrs. Tavares and Mr. Tramonti

Room 201 culminated its science unit on pollination by dissecting flowers and identifying its parts! The students learned about the pistil, stamens, stem, petals, nectar and pollen. Students were able to rub the pollen and feel the sticky nectar. They also learned about how flowers use their smell and colors to attract pollinators such as bees, butterflies and hummingbirds!

Mrs. Matalavage Room 106

SHOUT OUT to the First Graders in Room 106 have been working so hard in ARC and MATH all year long!
#WearePOWERFUL!

Ms Holder & Mr. Baez Room 216

Grade 5 is jumping into Unit 4 S P A C E!!! We are researching all things that have to do with Space. We will be experts before the end of the year. Come by and see what we are up to...
216 has changed so much since September.
Many have grown taller, many have grown wiser. Here is a wonderful poem.

*Does the road wind up-hill all the way?
Yes, to the very end.
Will the day's journey take the whole long day?
From morn to night, my friend.*

Room 216 is ending the year with a mission to improve fluency in Multiplication. Each morning we are entering into the MULTIPLICATION REVOLUTION. We do round robin multiplication quizzes and close the gap on difficult multiplication. OUR goal is to, without hesitating, learn all the tables from 1-12. WE GOT THIS!!!

Mrs. Airhart, Mr. Baez, Ms. Holder, Ms. Lautieri Rooms 214, 215, & 213

Grade 5 celebrating Earth day by cleaning the school yard, front of the school, and playground. This was the culminating project for our unit on Recycling.

Nurse's News and Information - Mrs. Anderson, RN SNT

Have a safe and enjoyable summer!

-Don't forget to protect your children from mosquito/tick bites using the appropriate bug repellent

-Be safe at and in the water, always have a parent nearby when swimming and don't forget the SUNSCREEN!

-When playing outside be mindful of your surroundings/high traffic or excessive noise levels can lead to an increase in pedestrian accidents

See you on the first day of school in September!

RI Pre-Kindergarten Programs

RI Pre-Kindergarten 2021-2022

The Rhode Island Department of Education (RIDE), is proud to announce the newly awarded RI Pre-Kindergarten classrooms and the opening of the lottery for those state-funded RI Pre-K programs for the 2021-2022 school year. RI Pre-K, entering its 13th year, provides free, high-quality Pre-K education to eligible 4 year old children.

Rhode Island will be expanding RI Pre-K by 22 new classrooms and 420 seats, growing from 100 to 122 classrooms, and expanding to 17 communities to serve 2,268 four-year old children statewide in the 2021-2022 school year.

Click link above/below for applications in English and Spanish

Providence Public Schools will be hosting free learning and enrichment programs this summer, open to all PPSD students. Programs will run Monday through Thursday from 8:30 am to 12:30 pm from July 6 to August 13. Transportation will be provided to eligible students. All programs are free of cost to families and breakfast and lunch will be served daily.

Students transitioning to the middle and high schools next year will have the opportunity to participate in a unique transition program designed to get them familiar with their new school. Seniors looking to make up credits will have a special opportunity to do so through our 3-week program, which will be offered twice. Learn more about our programming options at:

Physical Education & Health

Physical Education class is coming to an end. Only being able to use limited equipment due to covid left all of us to be very creative in the different ways to move and exercise our bodies. Our greatest hope is all students will continue to work on keeping their bodies safe and healthy throughout the summer. ENJOY! See you next year!
