PE - Mr. Payne - Daniella Silva	

Carnevale Families, please ensure your child is bringing their mask and chromebook to school every school day. Please reply to KINVO messages when your child will be absent.

Nurse's News and Information

Hello Students, Parents and Families!! Winter is coming, and we must be ready for it!! The cold weather can cause people to get sick, and it is important to know how to stay healthy and prevent illness. Always remember to wash your hands with soap and warm water for 20 seconds, or as long as it takes you to sing Happy Birthday twice! It is important to wash your hands after using the bathroom, after blowing or wiping your nose, and after being around someone who is sick! With the COVID-19 pandemic, it can be scary to become sick and think you may have the virus. If you believe you have symptoms of the Corona Virus, get tested! Also, see the image below on how to tell the difference between the flu and COVID! Winter time can also be a lot of fun, especially when it snows! BUT, it is important to remember to always be safe. If you plan on going sledding, wear a helmet to protect your head! Remember NOT to go out on any frozen bodies of water, it is dangerous and you could fall into the freezing water, BRRRR! Lastly, remember to be careful of the ice on the ground! It is easy to slip and fall when the weather gets cold, so be aware of where you are stepping, and wear shoes that are meant for the snow and ice, like snow boots!!

The Chart below will be located in the Nurse's Section of the School Website!

[September & October Student of the Month is on the School website!](#)

Upcoming Calendar of Events!

"As a Feinstein Leadership School we are committed to teaching our students to be caring of others."

Grade Level News: PreK- 2

Storybook Parade - 10/30/2020

We are promoting social distancing and mask wearing in Preschool Room 110. We had a fun time making our pumpkin

What's going on in our classrooms?

Mrs. Matalavage -Grade 1 RM 106

In Grade 1 Room 106 we are studying Wild & Endangered Animals in our Unit 2 ELA Curriculum! We have picked animals to research and are working to become experts about our animals we are studying. We are also reading daily in school and at home to reach our "100 Steps," which some of us have and continue to read! We are also working on addition and subtraction in Math. The 106 motto is: "The more we learn, the more POWERFUL we become!"

Mr. Maher - Music

This school year all music students (Pre-K to grade 8) in Providence Public Schools will be able to login to **Quaver Music** as a part of the music lessons! They can use their **Clever accounts** to gain access to this new and exciting part of the music curriculum.

Ms. DeFlorian - Art

Here is some pre-k students artwork. Room 108 students used leaf stencils and bingo markers to create these colorful fall works of art. (Below Left)

Above Right: Room 217 created shape poems during art lessons.
