"As a Feinstein Leadership School we are committed to teaching our students to be caring of others."

Interview with an Administrator Mrs. Sindy Giard - Principal

- 1. What is the best thing about being a principal at Carnevale?**
There are a lot of best things about being a principal at Carnevale. I enjoy working with all my amazing students, families, faculty, and staff. One best thing is that I am able to work with a group of individuals that are caring, supportive, respectful, dedicated, and work super hard for our wonderful students. Another best thing is our students who make our school and are my priority. Another best thing is to be able to work towards creating an environment that is safe, happy, and conducive of academic achievement and success for all our Carnevale students who will become our future. Carnevale has become part of my life and I love being your leader...your principal.
- 2. What do you enjoy doing when you are not at school?**
When not in school I enjoy spending time with my family and three dogs, boating in the Summer, and exercising.
- 3. What are your expectations for the 2020-2021 school Year?**
My expectations for next year is to ensure we, as a school hold each other to high standards and accountable for teaching and learning. That all students learn to their potential and beyond and that our teachers provide rigorous and challenging lessons so students can expand their knowledge, communication skills, as well as, strive for excellence, respect, and dedication for education. High expectations for ALL members of Carnevale including myself.
