We have had a great turnout of new parents come for several meetings here at school in the evenings to help plan this event. **ALL** are welcome to attend this event! **Tickets are on sale now! Flyers will be sent home this week. All Grade 4 and 5 teachers are welcome to attend!

**SPECIAL PROGRAMS:**

Plymouth Plantation will be coming to do presentations to our Grade 3 and Grade 4 classrooms during the week of "February vacation". More details will follow as we get closer.

**Music News – Mr. Maher**

The chorus did a great job with their holiday concerts at the State House and our school. Once again we had a fantastic turn out by parents, staff, and friends. Our next performance will be in May. I am hoping we will be able to produce a compact disc of the chorus singing some of the tunes that will be on the concert program.

On March 12th, some members from the Newport Jazz Festival musicians will be coming to our school and presenting us with a free concert. In April, the fourth graders will be attending a concert with the Rhode Island Philharmonic.

**Notes from Nurse –****Mrs. Anderson RN:**

Flu season is in full swing please keep child home for any body aches, fever, vomiting, diarrhea, sore throat or a persistent cough.

Germs are easily spread amongst school aged children and our medically fragile students have an increase in contacting minor illnesses. Be careful while walking to and from school during snow and icy conditions

**Art News – Ms. DeFlorian**

In February, the art classes focus on Hearts. Symmetrical hearts, cut out hearts, stencil hearts and hearts used to make collages. The students in grade K have also reviewed color theory in which the primary colors are used to create tie dye hearts. Students in room 206 and 203 tried bubble painting hearts using stencils. Some classes made HEART shaped dogs and bumble bees! Look for these creative projects from your ACE ART teacher, Ms. DeFlorian.
