Interview with Mrs. MacKillop by rm. 213

How long have you been teaching?

I have been teaching for 28 years.

Why did you decide to become a teacher?

I used to teach my "Suzie Smart" doll when I was a little girl. Then, as a teenager, I started babysitting. In elementary school, I was bullied. I wanted to be a teacher so I could help stop that.

Where did you go to school to become a teacher?

I went to Rhode Island College

Have you only taught in the Providence School System?

I taught at a private school for my first 8 years. I have taught in Providence since February of 1997.

What is the best thing about your profession?

I get to help the students and their families.

Report Cards for 3rd Quarter

Report cards will be available on 4/13/2017.

NOTE: Parents will be able to access Report Cards online on Skyward so all Report Cards will not be printed unless requested.

Physical Education/ Health News-

Ms. Mariniello, Mr. Payne, Mr. Enos, and Mrs. Denton-Pichie

After another successful jump rope unit, K-1 students are now participating ball handling, bouncing and eye hand coordination. Our grade 2-5 students are working on basketball skills. We hope all students stay physically active during our spring break and come back ready to learn some volleyball and baseball skills.

Music News – Mr. Maher

April is Jazz Appreciation month! Our Fifth grade students have been working hard in their Jazz Research Booklets. These booklets will be on display in the showcase in the main entrance of our school.

Our chorus group has been working on recording their compact disc, which hopefully will be presented to them at their annual Spring Concert in June.

Art News- Ms. DeFlorian

The month of April is packed with spring artwork created by our students at A.C.E. The fifth and fourth grades will also be creating art for Earth day.
