

PARENT CONSENT FORM

Media Permission for Interviews, Use of Student Photograph and Name

Throughout the academic year, Providence Schools celebrate the many projects, student works, activities, field trips and events that take place in our schools.

At times, we may submit photos with articles for the newspaper, yearbooks, school or district web sites, and for display in the school or community.

On occasion, newspaper photographers and television crews may visit the school to interview students and to photograph or tape news stories pertaining the school or district. As such, your child's comments or photograph may appear in the newspaper or on videotape for television.

However, we will not allow your child to be photographed, interviewed, or videotaped without your consent.
